Open to 49 guests or less. 10 Pizzas, 1 hour of private ice, 2 skate guards to monitor ice. *No hockey, sticks, pucks, etc., are permitted during parties. (Only available over Holiday breaks)*

LEARN TO PLAY ICE HOCKEY

Ages 5-14

We offer a Learn to Play Hockey class that is devoted to enhancing the hockey skills needed to advance players into youth ice hockey. Our philosophy is to allow players to develop their hockey skills while growing their love for the game. Every week the players will work on skating skills, puck skills, and partake in some type of game to keep them coming back for more. All participants are required to start in Learn to Skate and be able to skate around ice easily without falling, they must be able to stop, and move backwards. If a player is not ready you could be asked to return to LTS for more seasoning. After completion of LTP new hockey players under 8 years old can move on to Bulls Mites in the Spring or the Dyna-Mites. Players 9 to 14 can play Youth Spring League or Kings Developmental in the Winter.

Required Equipment

See the US Hockey Supply Pro Shop for discounted LTP Hockey Equipment Package. Required...Hockey helmet w/ cage, elbow pads, gloves, cup/pelvic protector, hockey shin pads, ice hockey stick, shoulder pads and hockey pants. Rental skates are provided free of charge for those who need them.

KINGS DEVELOPMENTAL HOCKEY PROGRAM

This program is a perfect transition for players coming out of Learn to Play or as a supplement for those playing Scholastic hockey. The teams focus on developing individual skills, teaching hockey concepts to create well rounded players and prepare them for the Kings full travel program. Players born between 2009 & 2014 will participate in 15-20 on-ice practice sessions at Power Play, 12 games, jersey, socks, great coaching, a Year End Party with Friends & Family Skate. Program runs 10/7/2023 – 3/20/2024. More info available online at skatepowerplay.com under hockey tab.

\$850 per player.

BECOME A BILLET FAMILY

Billeting is a great way to meet people and to impact a young person's life. The importance of billet families to our program is immeasurable. Part of our commitment to our players and their parents is to help provide them with a good home. Their time with the billet family is a very important time in their lives. They are away from their friends and family (often for the first time), so billets become their surrogate family. While the billet families receive some monetary compensation, the real rewards are in the lasting relationships that are formed.

When a family volunteers to house a member of the team, they are required to provide room and board for the player. This includes providing nutritious food that is available for them to prepare, or for the billets to prepare for them. In addition, billets must be able to provide the player with their own room and a closet. Billets are expected to treat the players as "One of the family" and not just a renter. The same goes for the player, which includes daily tasks such as cleaning up after themselves. The Huntsmen have team guidelines and policies that the players must follow. We expect our billet families to uphold and enforce these team rules. All billet house rules will need to be communicated to the player when they arrive.

How long is a billet family's commitment? Training Camps and exhibition games begin in August, and the season is September through March. When the schedule permits, players do have the option to return home (ex. for holidays). Families receive a monthly billeting payment for each player. Some billet families have found it easier to house two (2) players because they can travel together and are company for each other. The only thing that is really needed is a willingness to help a player pursue their dream by providing a safe home. If you're interested in learning more about being a Billet Family or have questions; contact: Jenn Smolenski - jsmo815@yahoo.com - Billet Coordinator or Zach Overholtzer – zach@powerplayrinks.com Huntsmen General Manager

PRIVATE PUCK SKILLS TRAINING

Is your player struggling to score or stick handle? We offer half hour private lessons conducted one on one with a skills coach. Private lessons offer an environment free of distractions to allow your player to improve their deficiencies at their own pace.

GOALIE TRAINING ON SYNTHETIC ICE

This is the BEST way to refine the individual skills in your goaltender. Goaltending is a difficult position; it takes mental and physical dexterity, laser focus & technical skill. This 1-on-1 lesson with a goalie coach your goalie will be able to develop or work on the specific problems they may have in their game. All lessons are 30 minutes long.

BOOK YOUR LESSONS ONLINE

Book your lesson at Skatepowerplay.com, select Camps/Clinics then Goalie Training & click the red button, Questions contact Tom at Ext. 108
