LEARN TO PLAY ICE HOCKEY

Ages 5-14

We offer a Learn to Play Hockey class that is devoted to enhancing the hockey skills needed to advance players into youth ice hockey. Our philosophy is to allow players to develop their hockey skills while growing their love for the game. Every week the players will work on skating skills, puck skills, and partake in some type of game to keep them coming back for more. All participants are required to start in Learn to Skate and be able to skate around ice easily without falling, and they must be able to stop. If a player is not ready you could be asked to return to LTS for more seasoning. After completion of LTP new hockey players under 8 years old can move on to Bulls Mites in the Spring or in the Fall/Winter the Dyna-Mites. Players 9 to 14 can play Youth Spring League or Kings Developmental in the Fall/Winter.

Required Equipment

See the US Hockey Supply Pro Shop for discounted LTP Hockey Equipment Package. Required...Hockey helmet w/ cage, elbow pads, gloves, cup/pelvic protector, hockey shin pads, ice hockey stick, shoulder pads, neck guard and hockey pants. Rental skates are provided free of charge for those who need them.

PRIVATE SHOOTING & PUCK SKILLS TRAINING & NEW 4 SHOOTER CLINICS

Is your player struggling to score or stick handle? We offer half-hour private lessons conducted one on one with a skills coach. Private lessons offer an environment free of distractions to allow your player to improve their deficiencies at their own pace. For a cheaper option, your shooter can do a semiprivate 4 person shooting lesson to develop their game. Check online for enrollment information.

GOALIE TRAINING ON SYNTHETIC ICE

This is the BEST way to refine the individual skills in your goaltender. Goal-tending is a difficult position; it takes mental and physical dexterity, laser focus & technical skill. This 1-on-1 lesson with a goalie coach, your goalie will develop or work on the specific problems they may have in their game.

All lessons are 30 minutes long with our experienced Goalie Coaches.

BOOK YOUR LESSONS ONLINE

BECOME A BILLET FAMILY

Billetting is a great way to meet people and to impact a young person's life. The importance of billet families to our program is immeasurable. Part of our commitment to our players and their parents is to help provide them with a good home. Their time with the billet family is a very important time in their lives. They are away from their friends and family (often for the first time), so billets become their surrogate family. While the billet families receive monetary compensation, the real rewards are in the lasting relationships that are formed. When a family volunteers to house a Huntsmen, they are required to provide room and board. This includes providing nutritious food that is available for them to prepare. The only thing that is really needed is a willingness to help a player pursue their dream by providing a safe home and possible transportation to the rink. If you're interested in learning more about being a Billet Family or have questions; contact: Jenn Smolenski - jsmo815@yahoo.com - Billet Coordinator or
