# LEARN TO PLAY ICE HOCKEY

## Ages 5-16

We offer a Learn to Play Hockey class devoted to enhancing hockey skills needed to advance players into youth ice hockey. Our philosophy is to allow players to develop their hockey skills while growing their love for the game. Every week the players will work on skating skills, puck skills, and partake in some type of game to keep them coming back for more. All participants are required to start in Learn to Skate and be able to skate around ice easily without falling and should be able to stop. If a player is not ready you could be asked to return to LTS for more seasoning. After completion of a few LTP sessions, new hockey players under the age of 8-years old can move on to the Bulls Mites in the Spring and in the Fall/Winter to the Huntsmen Mites. Players 9 to 16 can play Youth Spring League in spring or Huntsmen Developmental in the Fall/Winter.

### Required Equipment

See the US Hockey Supply Pro Shop for discounted LTP Hockey Equipment Package. Required...Hockey helmet w/cage, elbow pads, gloves, cup/pelvic protector, hockey shin pads, ice hockey stick, shoulder pads, neck guard and hockey pants. Rental skates are provided free of charge for those who need them.

### **BECOME A BILLET FAMILY**

Billetting is a great way to meet people and to impact a young person's life. The importance of billet families to our program is immeasurable. Part of our commitment to our players and their parents is to help provide them with a good home. Their time with the billet family is a very important time in their lives. They are away from their friends and family (often for the first time), so billets become their surrogate family. While the billet families receive monetary compensation, the real rewards are in the lasting relationships. When a family volunteers to house a Huntsmen, they are required to provide room and board. This includes providing nutritious food that is available for them to prepare. The only thing that is really needed is a willingness to help a player pursue their dream by providing a safe home and possible transportation to the rink. If you're interested in learning more about being a Billet Family or have questions; contact: Zach Overholtzer [Zach@powerplayrinks.com](mailto:Zach@powerplayrinks.com) Huntsmen General Manager - [PAHUNTSMEN.COM](https://www.pahuntsmen.com)
