Learn to Play Ice Hockey (Ages 5-15)

We offer a Learn to Play Hockey class devoted to enhancing hockey skills needed to advance players into youth ice hockey. Our philosophy is to allow players to develop their hockey skills while growing their love for the game in smaller subgroups based on ability. Each week players will work on skating skills, puck skills, and partake in some type of game keeping them coming back for more. Participants are required to start in Learn to Skate and be able to skate around ice easily without falling and should be able to stop. If a player is not ready you could be asked to return to LTS for more seasoning. After completion of a few LTP sessions, new hockey players under the age of 8-years old can move to the Bulls Mites in the Spring and/or Fall/Winter to Huntsmen Mites. Players aged 9 to 16 can play in the Spring, Youth Spring League or Bulls, and in Fall/Winter Huntsmen Developmental or Huntsmen Youth Travel. We offer Girls' hockey Ages 9 to 18 in Spring the Chester County Cannons Girls & PA Huntsmen Girls in the Fall/Winter.

Required Equipment

See the US Hockey Supply Pro Shop for discounted LTP Equipment Package. Required...Hockey helmet w/ cage, elbow pads, gloves, cup/pelvic protector, shin pads, stick, hockey socks, shoulder pads, neck guard & pants. Rental skates are provided free of charge.

BECOME A BILLET FAMILY

Billeting is one of the most meaningful ways to support our players and make a lasting difference in a young person's life. The importance of billet families to our program cannot be overstated. Part of our commitment to our players and their parents is ensuring they have a safe, supportive, and welcoming home during their time with us. For many players, this is their first experience living away from their own families. Billet families become their surrogate family — offering stability, encouragement, and a sense of belonging. While billet families do receive monetary compensation, the true reward is the lifelong relationships that often form. Families who volunteer to house a Huntsmen player are asked to provide room and board, including access to nutritious food the player can prepare. Beyond that, the most important requirement is simply a willingness to help a young athlete pursue their dream by offering a safe home environment and, when possible, transportation to the rink. If you're interested in learning more about becoming a Billet Family or have questions, please contact: Zach Overholtzer Huntsmen General Manager

PRIVATE SHOOTING & PUCK SKILLS TRAINING & NEW 4 SHOOTER CLINICS

Is your player struggling to score or stick handle? We offer half-hour private lessons conducted one on one with a skills coach. Private lessons offer an environment free of distractions to allow your players to improve their deficiencies at their own pace. For a cheaper option, your shooter can do a semiprivate 4 person shooting lesson to develop their game. Check online for information.

GOALIE TRAINING ON SYNTHETIC ICE

This is the BEST way to refine the individual skills in your goaltender. Goal-tending is a difficult position; it takes mental and physical dexterity, laser focus & technical skill. This 1-on-1 lesson with a goalie coach; your goalie will develop or work on the specific problems they may have in their game.

All lessons are 30 minutes long with our experienced Goalie Coaches.
